## *Minister's Musings*

There are berries down the road. Strawberries that just ended their season, or are coming to a close, and blueberries that are coming around the corner. I know this because Greig Farm puts out a sign on the end of Pitcher Lane to tell the neighborhood, and people driving past what's headed our way.

Everything in the garden has found its roots and are coming up on their own. Radishes have gone from miniscule seeds to bulbs that burst through the ground - poking their little red heads out from the soil as if to say, "We're ripe! We're ready for salad!" What a delight it has been to put teeny, tiny things in the ground and watch them spring up out of the ground and transform in wild, unexpected ways!

There have been a lot of surprises and unexpected things that have come about in the last 8 months. Whether it's the berries that keep changing on the Greig Farm sign, vegetables that are taking shape in surprising ways, or the ever-evolving flower patch that lives in front of the education wing, or the way that God continues to show up and move in our midst.

I have been delighted with the lengthening of days and the warmer weather. The smells that are around us in the area, in peak summer, are delicious. The grass and the wild flowers that grow all around us make the air sweet.

Families and friends have started trickling back into the church building, as windows and doors are flung open.

The notes of summer have infiltrated most aspects of life.

It reminds me, in the heat and openness of these summer days, of the deep midwinter. How vastly different the experience of this moment is. The sun is bright and the grass begs to have toes in it - pools, the same. And faces, of all kinds, flowers and kids, turn their faces up naturally to soak in the warm rays.

It reminds me of how we all grow and move through different stages of our lives with relation to so many things. I recently officiated a funeral and we meditated on the passage from Ecclesiastes 3:1-8 that begins, "There is a season and a time for every matter under heaven." This feels poignantly true in this moment in the heat of summer. There is openness and light and levity. And, we can look back and remember a time in our not so distant past of cold and dark midwinter times. Perhaps there are emotional seasons of life as well that feel similar to summer and winter. Maybe you're a person who feels blinded by summer's light and prefers a winter chill and cozy night in.

Whatever the case may be, remember there is a season for everything. Be gentle with yourself in whatever season you find yourself in.

Pastor Alisha

## FATIH AND EDUCATION

### BIBLE STUDY CONTINUES THROUGH SUMMER

Preaching Elder John Roberts will continue to offer Bible Study on Tuesday mornings at 10:15 a.m. throughout the summer. Copies of the Scripture readings for July to December are available in John's mailbox in the education wing. It's also accessible via the internet. There is no need for prior education to participate.

### CHILDREN'S MINISTRIES

The Children's Program will continue through the summer, finishing up DWELL's Year 1 Wonder curriculum, designed for Grades 2-3. We have eight summer units from Walk with Me from which we can choose.

We are looking at two new curricula for the 2022-2023 program year.

Eight children participated in the worship service on Sunday, June 12, Children's Day. This included two year old Dorothea Buring who crossed herself when she got splashed with water from the baptismal font, and then tried to cover it back up when Pastor Alisha was trying to assist another child. Bibles were given to third graders and teachers who have helped teach over the last couple years during the pandemic. Special ice cream treats for everyone were served during Coffee Hour.

### BOOK CLUB

August 15th discussion will be on Beach House by Mary Alice Monroe.

## **MISSION OF THE MONTH**

### **Mission of the Month for July:**

We will be supporting:  
The Buffalo 5/14 Survivors Fund and The Uvalde Strong Fund.

These community organizations are providing aid to survivors of the deceased and those directly affected by the mass shootings in Buffalo NY and Uvalde Texas.

After such terrible tragedies, we can feel deep despair, grieving in our hearts that so many families' lives have been irreparably changed forever. We can find it challenging to assimilate what is an ocean of pain and heartache.

We need courage to speak out about the sanctity of every human life; we need to learn, by listening in humility to the stories of people whose lives have been impacted by such violence.  
We need to love.....as Christians we are called to enter into our neighbors pain.

Both these communities are suffering terribly. The children in Uvalde are traumatized and terribly frightened about returning to school. Their parents are not knowing how to protect and heal their little ones. Those who have lost a child are going through the worst experience a parent can endure. How does a parent digest the finality of never seeing their child again and the loss of future hopes and plans?

And our hearts go out to the victims and their families in Buffalo. One was a grandmother to 6 and a loving, caring person; another was only 32yrs: dedicating her time to helping her brother with leukemia treatment; and one man was there picking up a cake for his son who had just turned 3.

So many lives shattered.

They need to know that Christians everywhere acknowledge their pain and in this we are simply reaching out.

Our Motto in Mission and Outreach is Pray, Give, Advocate.

May we embrace these three goals as we aim to be Christ's hands and feet to a suffering world.

Wendy Walrath ( Elder for Mission and Outreach

The Music Ministry has always been an important and spiritually uplifting part of our worship services at St. John's. During the past year, as we have been coming out of Covid, our Music Ministry has been led by Gwyyon and Daewon. It has been a difficult time as Covid greatly reduced our choir membership. Their patience has been greatly appreciated as they guided the very small choir through Sunday hymns. Additionally, we have enjoyed duets Gwyyon performed with Jane on organ and with Daewon on oboe.

They will be leaving us at the end of June to further pursue their music careers. Daewon will be headed to Houston to continue his education and Gwyyon will be going to Wisconsin to further her career. This will be hard on them as they will be apart but they are both very dedicated and will make it work.

We at St. John's appreciate all they have done and pray for them both to have the best in their careers and lives.

## PROPERTY COMMITTEE AND KITCHEN STOVE PROJECT

The Property Committee has been hard at work, especially now that the grass is growing, growing, growing. Committee members and other volunteers have done a lot of mowing, weed whacking, brush clearing, tree pruning, garden plot building, landscaping, planting, and painting around the church, the parsonage and in the cemetery. There is also a sub-committee working on repairing broken/damaged monuments.

The kitchen stove project is moving along, albeit somewhat slowly. The new hood has been installed and the electric wiring will be reconnected before the final ductwork can be completed. The next step will be for the new required fire suppression system to be installed after which a new stove will be purchased and installed. As always, the Property Committee is looking for new members to help with all forms of church building and property maintenance. No special skills are required.....just a desire to help where it's needed.

Thank you!

-----

**Hop Michael, Glenn Countryman, Jim Bard, and Dave Grover** for moving the stove so the electrician can hook up the range hood.

**Terry Laibach** for helping re-stock the Food Pantry shelves after a large delivery.

**Beverly Kipp** for baking bread for communion.

**Glenn Countryman** for overseeing and organizing all the work for the buying and installation of the new stove.

## COFFEE HOUR RETURNS!

He has many helpers in the kitchen this spring -Mary Hennessy, Laurie DeCuitiis, Deb Maconel, and Kayla Bell. Others are welcome to join in the fun as time allows. It is wonderful to see people getting to know the newest attendees and to see the smiles as friendship grows. Thank you to all who are making this possible.

-----

Congratulations and best wishes to Justin & Tanya Grover upon their marriage June 10. Justin is the son of David & Colleen Grover.

Gwyon and Daewon will be starting their Doctorate Studies this coming Fall in Wisconsin and Houston. Sadly their last service was on June 26th.

**Did You Know,**

Our summertime church attendance often falls off as people take vacations and have family gatherings, and our summertime church income tends to lag, as well. Just as your own home expenses don't stop when you are on vacation, St. John's expenses continue throughout the summer.

If you will be away, or missing services this summer, you can mail your offering to the church, or drop it off at the church office before you go. Or maybe this is a good time for you to consider the Givelify app, if you aren't already using it. When you set up your plan with Givelify, your tithes and/or offerings will be sent to the church automatically. You can find a link to Givelify on the home page of St. John's website. Givelify is a free app, but does take a small percentage of each transaction as a fee. For this, you get peace of mind, knowing that you will continue to support your church.

The Finance Committee wishes everyone a happy, healthy summer.

-----

Deadline for the **September Kerk** is **August 10**.

Personal ads of no more than 3 lines will be accepted for \$1 per issue. Business ads in the form of a business card to be photocopied will cost \$5 per issue.

If you would like to receive the Kerk by e-mail (a little more reliably on time than the paper version being mailed to your home) e-mail the church and let us know;

# Shepherds Page

July/Aug 2022

## Our Shepherds Ministry

As many of you know, I recently spoke in church about this ministry. As we know, Covid has been changing our lives in many ways through the pandemic. The shepherds continued to send cards, pray for their flocks, and make calls. Visiting homes, hospitals, and nursing homes was limited.

I would like to discuss again what this ministry is all about:

A shepherd is one person caring for another by giving one's self in Christian love to a relationship in times of strength and weakness. We work to motivate, encourage, and inspire all to be "Jesus with skin on it" in church and around the community. We are here to assist the minister not to replace her. If something is discussed that needs to be addressed, we will refer to Pastor Alisha. We keep our discussions confidential and ask permission of people to be put on the prayer chain or prayer list. We are not problem solvers, just good listeners.

We are trying to meet once a month as we are discussing how we can help our congregation further. Some of you need our help so please reach out. Those in the congregation willing to help our ministry, please reach out to me with any questions you may have. This doesn't take a lot of time so please pray about this as many of you are already caring for others in your lives. Please consider ministering God's love and care for our church family fulfilling the Lord's command to "love each other as I have loved you" John 15:12 "Feed my sheep" John 21, 15-17.

The commitment to this ministry is as follows:

- P- Pray for the people regularly
- A. Available with your ears, hands, and heart
- C- Contact best way possible
- E- Example commitment to Jesus Christ and his church

I have been a shepherd for almost twenty years. I want to share that this ministry has many rewarding experiences too. Many relationships turn into lasting friendships.

Have a great summer and Stay safe.
